Message from the Patron

Based on the motto “तमसो मा ज्योतरिगमय” (Lead me from darkness to light), Jigyasa University (Formerly Himgiri Zee University) has been established for the vocationalisation of higher education which is national in character. The University is characterized by its resolve not to discriminate on the grounds of caste, creed, residence, community, gender, and religion.

The University promotes a holistic approach to learning where each individual receives academic insight along with the fundamental values of work ethics and etiquette. Over the years our efforts have been towards creating good infrastructure, providing a newer facility for the students, and upgrading our programs and faculty to strengthen the academic rigor of the University.

We welcome students and parents to be a part of Jigyasa University (Formerly Himgiri Zee University) and join hands in our efforts to groom a new cadre of professionals for India.

Dr. Subhash Chandra

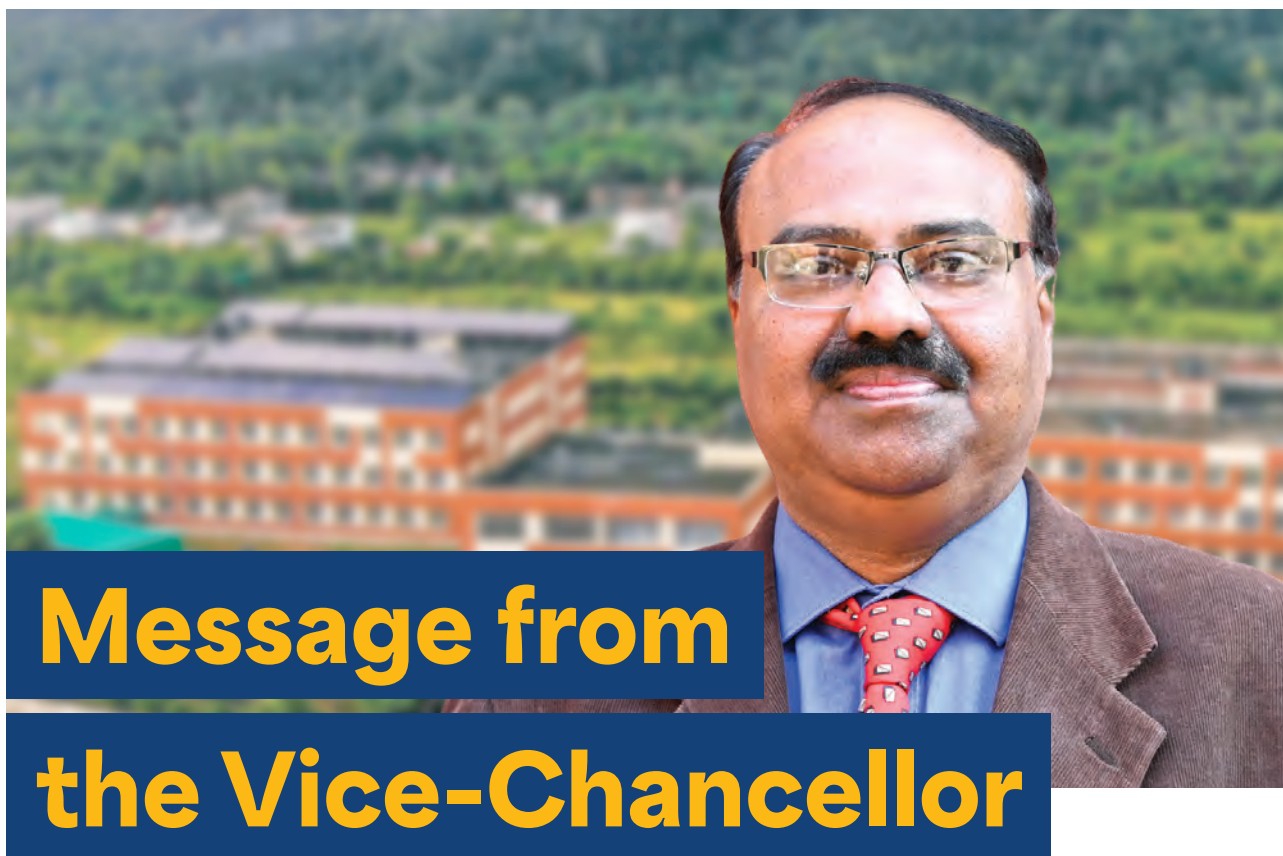

Dear Students and Parents,

As you all know, education not only invigorates the mental construct and innovative ideas but also sets up contours of human character and multi-dimensional personality. The twenty first century has witnessed remarkable innovations in the field of science and technology bringing about big changes in human lives and the society. Today, the young brains have unlimited potential and innovative skills to go beyond the existing realities of the world and discover new knowledge.

We, at Jigyasu University (Formerly Himgiri Zee University) , work extensively for the overall growth and development of our students by introducing student-centred approaches to comprehend the new-age knowledge and advanced skills. The blended modes of teaching and learning are our specific feature to keep students abreast of the changing paradigm in the education world. We have implemented National Education Policy-2020 guidelines in our teaching curriculum enabling students to be more skill oriented and develop entrepreneurial abilities. We have faculty from diverse areas of expertise who are our resource pool of academicians, researchers, corporate and industry. With state-of-the-art infrastructure, we build future through academic and professional courses in Education, Mass media, Humanities, Management, Legal Studies, Science & Technology, Pharmacy and so on and so forth.

The University campus is not just a home away from home but ‘another home’ where your living is as comfortable as with your family. I welcome you all to the beautiful campus covered by the greenery of the nature to gain knowledge and skills and make yourself a successful professional.

Prof. (Dr.) Md. Irfan Khan

Dear Students and Parents,

It gives me immense pleasure to welcome you to Jigyasa University (Formerly Himgiri Zee University). At Jigyasa University, we take students holistic development as our prime responsibility and strive to shape the students into leaders of tomorrow who are ready to face the challenges of the rapidly evolving professional world. We are committed to holistic development of our students in alignment with the National Education Policy (NEP) 2020 recommendations which suggests to nurture well-rounded socially responsible individuals. As we stand at the dawn of a new era, our commitment to making you industry-ready is at the heart of everything we do. We understand that today's students must be equipped not only with academic knowledge but also with the skills and mindset required to excel in a dynamic, globalized and competitive world.

As we focus on the vision of Viksit Bharat 2047 that talks about the transformative roadmap to a developed nation and emphasizes inclusive development, sustainable progress, and effective governance, we dedicate ourselves to develop technologically equipped workforce and entrepreneurs with strong social skills and emotional intelligence. Today, the society needs young minds with an edge in critical and creative thinking along with innovative and problem-solving mindset. Our approach to 'learning beyond classroom' makes it more relevant with our project based, experiential and active learning methodologies because this is the kind of training that prepares students to apply their knowledge and skills in the real-life professional scenario. Our aim is to bridge the industry-academia gap by collaborating with leading organizations and design our curriculum that is at par with the industry needs. Besides theoretical foundations we offer practical, hands-on experience. Our curriculum is a blend of classroom teaching, field exposure, MOOCs and value-added courses. Further, our curriculum is backed by the field training and full semester internship program that helps to train our students for the current and future job market. Here, you can explore diverse dimensions of teaching and learning.

I can assure you that at JU you will find a learning environment which enriches you with a sense of responsibility, integrity and the ability to adapt to an ever-changing society. I am of the opinion that every individual is unique and the university environment needs to support his/her uniqueness to develop them into TQPs (Total Quality Persons).

With this, I invite you to join us on this exciting journey of holistic personality development, to visualise transformation and be part of the vibrant and diverse academic community.

Prof. (Dr.) Shankar Ramamoorthy

About the University

The University was founded by the TALEEM Research Foundation, Ahmedabad, passed by the Uttaranchal Legislative Assembly under Act No. 17, 2003, and recognized by the University Grants Commission (UGC) under Section 2(f). It was renamed as Jigyasa University under the Uttarakhand Private University (Amendment) Act, 2024 (Act No. 5 of 2024).

Jigyasa University (Formerly Himgiri Zee University) is prominent for addressing the increasing demand for skilled professionals across various social, educational, scientific, technical, and professional sectors, with a focus on channeling human potential toward sustainable economic and social development. Inspired by the motto “तमसो मा ज्योतिर्गमय” (Lead me from darkness to light), Dr. Subhash Chandra took a visionary step to enhance education and employment opportunities by founding the TALEEM Research Foundation in Ahmedabad.

He brought together a team of anthropologists, sociologists, and economists with the goal of establishing a world-class university in India.

Jigyasa University has been established to promote the vocationalization of higher education with a national character and transnational jurisdiction.

The University is committed to ensuring that its policies and practices do not discriminate on the basis of caste, creed, residence, community, gender, or religion. It offers diverse programmes in science, technology, education, journalism, hospitality, tourism management, legal studies, pharmaceutical sciences, business studies, and humanities.

At Jigyasa University, our vision is to provide an environment that ignites, nurtures, and unleashes the potential and talent of all students.

To achieve this vision, we are dedicated to delivering quality education and fostering research opportunities. Simultaneously, we emphasize outreach activities to address societal needs without discrimination, striving to nurture responsible citizens.

Recognizing the evolving demands of society, we have adopted a student-centric pedagogy that cultivates awareness, core competencies, and holistic personality development.

We warmly invite you to be part of a transformative learning experience at Jigyasa University.

Here, we implement a globally recognized curriculum aligned with the 21st-century skill development framework outlined by the World Economic Forum. Our approach emphasizes knowledge enhancement, skill development, capacity building, and the cultivation of core competencies, creating a dynamic and engaging teaching and learning environment.

University Highlights

- 1 Campus of 50+ Acres, Largest in Dehradun.
- 2 Established in 2003.
- 3 Focused on Research & Experiential Learning.
- 4 High Level of Engagement with Industry.
- 5 Strong Placement Supports via TIPS cell.

MoUs

Confederation of Indian Industry

Why Jigyasa —

What makes us unique?

Established Legacy

Over two decades of commitment to quality education.

Prime Location

50+ acre of campus nestled in the foothills of the Himalayas & near to Dehradun Industrial hub.

Industry-Focused Education

Strong quality education with a curriculum aligned to industry needs.

Experiential Learning

Hands-on, “learning by doing” approach for practical skill development.

State-of-the-Art Infrastructure

Modern computer labs, multimedia classrooms, and a well-equipped library.

Holistic Student Development

Innovative, creative, and entrepreneurial learning environment.

Centre of Excellence for the Science of Happiness

The first of its kind in Uttarakhand, promoting well-being.

Safe & Secure Campus

In-campus hostel facilities for students and faculty

Value-Based Education

Emphasis on community engagement and social responsibility.

Strong Industry-Academic Connect

Partnerships with leading industries for internships and placements.

Multidisciplinary Excellence

Diverse range of programs fostering cross-disciplinary learning.

Why Dehradun?

Dehradun's student population is highly diverse, with students from different states and countries, creating a vibrant, multicultural environment.

Dehradun is well-connected by road, rail, and air (via Jolly Grant Airport).

Its proximity to cities like Delhi makes it accessible for students from various parts of India.

Compared to metro cities, Dehradun offers affordable accommodations, food, and transportation for students, making it an attractive option for middle-class families.

The moderate climate throughout the year provides a comfortable atmosphere for studying and extracurricular activities.

The beautiful natural surroundings also contribute to students' mental well-being.

Dehradun offers opportunities for trekking, camping, and nature excursions, fostering leadership and teamwork skills.

Proximity to Mussoorie and Rishikesh provides adventure activities that attract students from across the country.

Awards & Recognitions

The University was founded by the TALEEM Research Foundation, Ahmedabad, passed by the Uttaranchal Legislative Assembly under Act No. 17, 2003, and recognized by the University Grants Commission (UGC) under Section 2(f). It was renamed as Jigyasa University under the Uttarakhand Private University (Amendment) Act, 2024 (Act No. 5 of 2024).

Recognised by the UGC under section 2(f), 1956 Act .

Member of Association of Indian Universities

Approved by the Bar Council of India (BCI)

Approved by the Pharmacy Council of India (PCI)

- Certificate course in Image Management & Soft Skills Training

School of Science & Technology

The School of Science & Technology (SST) aims at the overall excellence of our students. We work with the ideals of practical training and personalized relationships to create a model School Par Excellence that will carve a niche for itself, both nationally and internationally and be acclaimed for the futuristic science and technological development to be taught in our classrooms. The School of Science and Technology at JU came to existence in 2008 with the inception of different Computer Science Programmes.

Infrastructural Facilities

- Well-equipped ventilated lecture halls with latest teaching aids
- Smart Classes for Webinars
- Smart ICT Classrooms, Advanced Computer Labs with State-of-Art infrastructure.
- Conference Hall, Seminar Hall and Laboratories with updated hardware and software
- Each lab is on LAN with student terminal ratio of 1:1
- All Labs have high speed internet facility

Career Opportunities

- Software Engineer
- Big Data Engineer
- Cloud Engineer
- Data Scientist
- Data Analyst
- Security Analyst
- Ethical Hacker
- Network Administrator
- Network Security Engineer
- Machine Learning Engineer

- Database Designer
- Database Administrator
- Technical Content Engineer
- Project Manager
- Full Stack Developer
- Development Operations Engineer
- Systems Analyst
- Analytics Manager

USPs

- Highly qualified, experienced and dedicated faculty with research orientation
- Faculty members are engaged in cutting edge research and publish their findings in Peer Reviewed Journals.
- CBCS Course Structure as per National Education Policy (NEP) complemented by Soft Skills Training.
- Career Guidance and Placement Opportunities for all students.
- Curriculum supported by Guest Lectures, Internships, Projects and Industrial Visits.
- Good Number of Library Books, Digital Library, Journals and E-Resources.
- Value Added Courses to bridge gap between Academia and Industry.
- Short Term Courses/ Certifications/ Seminars/ Conferences/ Workshops / TechFests / Hackathons and MOOCs courses.
- Prepare students for campus recruitment by arranging training in Aptitude tests, group discussions, Technical and HR interviews.
- Promote career counselling by organizing guest lectures by senior corporate personnel and most importantly by the immediately placed senior students and Alumni.
- Full semester internship program.
- Good placement record.

Innovate, Code, Lead – Your Tech Journey Starts Here.

Programs Offered

B.Tech Computer Science & Engineering (CSE)

Duration: 4 Years/8 Semesters

Eligibility: 10+2 pass in PCM with min 45% marks

B.Tech CSE

with specialisations in AI & ML / Cyber Security / Data Science / IoT

Duration: 4 Years/8 Semesters

Eligibility: 10+2 pass in PCM with min 45% marks

B.Tech CSE - Lateral Entry

Duration: 3 Years/6 Semesters

Eligibility: Passed 3 years Diploma in Engineering/ 2 years Diploma in Engineering (Lateral Entry)/ B.Sc with PCM

BCA - Data Science/ IoT

Duration: 3 Years/6 Semesters

Eligibility: 10+2 pass in any stream with min 45% marks

M.Tech

with specialisations in Data Science/ Software Engineering/ Cyber Security

Duration: 2 Years/4 Semesters

Eligibility: B.Tech CSE/ B.Sc IT/ MCA from a recognised university

Ph.D

Duration: Minimum 3 Years/6 Semesters

Eligibility: Master degree in relevant discipline with min. 55% marks & as per UGC guidelines

School of

Pharmaceutical Sciences

Established in 2018, the School of Pharmaceutical Sciences is dedicated to train skilled Pharma professionals with strong ethical values. With state-of-the-art infrastructure, expert faculty, and well-equipped labs, the school ensures quality education, practical learning and industry exposure are key components of its training approach.

Infrastructural Facilities

- 13 Modern Laboratories along with Central Instrumentation Laboratory having sophisticated equipments like HPLC.
- Well-maintained computer lab with latest softwares
- Smart Classrooms
- Machine Room
- Herbal Plant Garden
- The fully automated library has an enviable collection of more than 5000 volumes covering all the courses offered by the school.

Co-Curricular Activities

- Tours to National Research Organizations and Industries.
- Students are competing with other colleges to get exposure to various competition to test their acquired skill.
- Organise health and awareness camps.
- Celebration of National Pharmacy Week.
- Out-reach activities, seminars, workshops, cultural and sports activities.

Career Opportunities

- Pharmaceutical science is a broad and dynamic field that deals with the discovery, development & manufacturing of drugs and related products.
- Research and Development
- Clinical Trials and Pharmacovigilance
- Sales and Marketing
- Medical Transcription and Medical Writing
- Career as a Pharmacist (Clinical/ Community Pharmacist)
- Career in Government sector as a Drug Inspector
- Regulatory Affairs
- Academics

USPs

- All-round development of students with activity based teaching learning process.
- ICT based computerized applications in Pharmacy with well operational computer laboratory.
- State-of-the-art labs and instruments for high precision and sensitive API analysis.
- Extra-curricular activities to promote holistic student development.
- MOUs with different Research Institutions and Industry for collaborative research and training.
- Highly qualified and experienced faculty members with Ph.D. degrees from premier institutions of the country.
- Guest lectures & workshops by eminent academicians, scientists, researchers and industrialists for academic excellence.
- Skill based educational activities and seminars conducted regularly.
- Focus on practical based knowledge with research.
- Excellent Training & Placement record.

Educating the Pharmacists of Tomorrow.

School of

Business Studies

The School of Business Studies (SBS) at Jigyasa University (Formerly Himgiri Zee University) was established in 2013, with the objective of imparting managerial skills, knowledge, training, and competency in the field of business and management. The programmes and curriculums have been carefully designed to accommodate a rational mix of core and elective modules enabling specialization in various demanding domains. The curriculum ensures the holistic development of students by inculcating competencies such as strong functional skills, critical thinking, problem-solving, attitude, and decision-making abilities. The School of Business Studies provides students a learner-friendly atmosphere to utilize a higher level of intellectual capacity required to specialize in their respective areas of study. At SBS, we aspire to create industry-ready professionals and future leaders.

Infrastructural Facilities

- Well-equipped modern classrooms
- Business Lab facility
- Smart Classes with ICT tools
- Free WiFi campus

USPs

- Course curriculum designed as per industrial needs Software-enabled interactive learning Labs. e.g. Tally, Advanced Excel, Power BI, Tableau, etc.
- Young Leaders Program (YLP) - Business and Management Club
- VIBGYOR Club - Business & Cultural Club
- Mudra Club - Finance Club
- Mentorship programs for every student.
- Career counselling cell for Placement drives
- Industry-Collaborative Programs for a high level of practical exposure.
- Well-qualified and experienced faculty with Ph.D. degrees
- Full semester internship program.
- Student-centric teaching methodology

Co-Curricular Activities

- **VIBGYOR CLUB: To build a platform and community for collaborative & sustainable learning**

The vibrant world of the VIBGYOR Club is the pulsating heartbeat of the School of Business Management at our University. Much more than just a club, VIBGYOR is the orchestrator of a symphony of activities that resonate with the essence of management excellence. As the maestros behind every event in our department, we not only manage but weave a tapestry of experiences that elevate student's skills to new heights. Collaboration is our forte, extending our influence beyond departmental boundaries to spearhead university-level events.

- Industrial Visits
- Guest Lectures
- The Mic
- Conferences
- Seminars
- Workshops

- **YOUNG BUSINESS LEADER (YBL) CLUB - (YLP): To identify, recognize, reward, and certify the young business leaders**

The Young Business Leader (YBL) Club is an innovative taken up by the School of Business Management to build Dynamic Leaders of the Future in the Business Domain. This Program highlights identifying and recognizing students with high levels of Potential Leadership traits and grooming them with the required Skills for future challenging environments, rewarding them with Hierarchical Batches, and finally Certifying them with a "Young Business Leader - Skill Certificate" like

- Young Leader - Brand Brigade
- Young Leader - Strategic Planner
- Young Leader - Operations Optimizer
- Young Leader - Digital Icon

- **MUDRA CLUB: To Cultivate, Challenge, and Certify Future Financial Leaders**

The MUDRA Club (MC) is an initiative by the School of Business Studies aimed at fostering financial acumen, technological adaptability, and strategic decision-making among students. This program identifies and nurtures students with a keen interest in Finance, Financial Technology (FinTech), Union Budgets, Investment Strategies, and Economic Policies while equipping them with the necessary skills to excel in the evolving financial landscape.

Through a series of quizzes, symposia, workshops, and industry interactions, the MUDRA Club builds a dynamic platform for students to engage in real-world financial problem-solving. Participants are rewarded with Hierarchical Badges based on their expertise and contributions, culminating in the award of a “MUDRA – Finance Leadership Certificate” under specialized categories such as:

- MUDRA Leader – FinTech Visionary
- MUDRA Leader – Budget Analyst
- MUDRA Leader – Investment Strategist
- MUDRA Leader – Quiz Maestro

This initiative not only enhances analytical and decision-making abilities but also prepares students for leadership roles in finance, banking, and corporate strategy, making them industry-ready professionals.

Career Opportunities

Research & Development

Cell

Research at Jigyasa University

The Research and Development Cell (RDC) at Jigyasa University (Formerly Himgiri Zee University) serves as the nucleus for fostering a robust and dynamic research based ecosystem. R&D Cell, JU is committed to promoting a culture of research and innovation by actively involving all stakeholders, including faculty members, research scholars, students, and staff. The RDC strives to create an enabling environment where academic inquiry and innovative practices flourish, contributing to continuous growth, excellence, and societal impact.

About Ph.D Programme

At Jigyasa University, we offer advanced research programs across a spectrum of disciplines, culminating in the prestigious award of a Doctor of Philosophy (Ph.D.) degree. These programs are meticulously designed to foster a culture of academic excellence, critical thinking, and innovative research, catering to scholars with a strong inclination towards contributing to their respective fields. The award of Ph.D. degree from Jigyasa University is not merely a certification but a recognition of significant academic accomplishments, rigorous independent research, and the practical application of knowledge aimed at solving complex technical, scientific, and interdisciplinary research problems. The research programmes are structured to inspire scholars to explore new frontiers of knowledge, make meaningful contributions to their domains, and address real-world issues with a profound societal impact.

Key Features of the Ph.D. Programmes

- **Interdisciplinary Research Opportunities:** Scholars are encouraged to undertake interdisciplinary research that integrates diverse fields such as education, engineering, social sciences, natural sciences, management, humanities, and Indian Knowledge Systems (IKS).
- **Mentorship and Guidance:** Each scholar is mentored by experienced faculty and research supervisors, ensuring a high standard of academic rigor and research output.
- **Innovative Problem-Solving:** Research is oriented towards addressing pressing global and regional challenges, from sustainability and climate change to technological innovation and social equity.
- **State-of-the-Art Infrastructure:** The University provides cutting-edge laboratories, libraries, and digital resources to support extensive research activities across disciplines.
- **Collaborative Environment:** Scholars have opportunities to collaborate with national and international institutions, industries, and governmental organizations, enriching their research with diverse perspectives and practical applications.
- **Ethics and Integrity:** Jigyasa University places a strong emphasis on research ethics, ensuring the originality and integrity of scholarly work.
- **Dissemination of Knowledge:** The University actively promotes the dissemination of research findings through publications, conferences, seminars, and workshops, enabling scholars to contribute to the global academic community.

Holistic Development & Career Opportunities

Through its research programmes, Jigyasa University not only aims to nurture scholars academically but also prepares them for careers in academia, industry, and research organizations. The programmes are tailored to instill skills like analytical thinking, problem solving, and leadership, ensuring that scholars emerge as thought leaders in their respective domains.

About Dissertation Program

At Jigyasa University, we offer dissertation project for final semester students, aimed at enhancing academic and research skills, including planning, execution, analysis, and reporting. This initiative is tailored to develop a scientific mindset among JU students, engaging them deeply in topics of interest to foster creativity and critical thinking. Furthermore, it provides an opportunity for students to gain fresh insights and contributes to their potential to publish in their respective fields.

Jigyasa Centre for Employability & Soft Skills Training

(Ji-CEST Centre)

The Jigyasa Centre for Employability & Soft Skills Training (Ji-CEST) was established with the mission to equip students with essential 21st-century skills, preparing them to thrive in the evolving professional landscape. Our thoughtfully curated training modules are designed to cultivate key personality traits and practical competencies, ensuring students are workplace-ready.

These programs emphasize real-world exposure, helping students understand and adapt to the behavioural expectations and dynamic work culture of modern industries.

Key Features of Ji-CEST

Training Programs

- **Comprehensive Learning Approach:** A balanced mix of expert-led lectures, industry guest sessions, interactive workshops, and hands-on activities.
- **Holistic Skill Development:** Focus on boosting confidence, self-esteem, positive attitude, teamwork, problem-solving, and decision-making abilities.
- **Experiential Methodology:** Engaging activities including presentations, role-plays, group discussions, debates, mock interviews, business simulations, and collaborative tasks.

Ji-CEST's immersive training ensures students develop the soft skills essential for personal growth and professional success.

TIPS: Training,

Internship & Placements

Services Cell

Jigyasa University (Formerly Himgiri Zee University) is committed to provide the best possible opportunities to all its students to launch successful careers. The university has a dedicated TIPS Cell, managed by seasoned professionals from both industry and academia. At TIPS, we recognize and emphasize the critical role that placement assistance plays in shaping our students' future.

To support this, we organize a variety of placement activities designed to help students showcase their talents to potential employers. We encourage companies to visit the Jigyasa University campus for the placement process, which includes pre-placement talks, interviews, and recruitment drives. These interviews are conducted in both online and offline modes to accommodate the needs of different organizations. As a result of our active placement drives, many of our students secure positions with renowned firms each year.

In our ongoing efforts to enhance the employability of our students, we implement a range of initiatives aimed at preparing them for the professional world. A few of these measures are highlighted below:

Guest Lecture by Industry Experts

We regularly organize guest lectures and expert talks by industry professionals to provide students with a realistic understanding of the corporate world they will be entering after completing their studies. These industry experts highlight the key skills and expectations that the corporate sector demands, allowing students to align their perspectives and prepare accordingly for their professional journeys.

Career Counselling Cell

To assist our students, we have a dedicated team of academic and industry experts who provide personalized career counselling. Additionally, we conduct seminar and workshops to introduce students to current industry trends, offering valuable insights and guidance to help them make informed career decisions.

Soft Skills & Other Trainings

Our team of experienced professionals offers comprehensive training in essential skills required to secure the first job. The training includes Resume Writing, Mock Group discussions (GDs), Seminars, Mock Technical Interviews, Mock HR Interviews, Soft Skills, and Aptitude Tests. We simulate a variety of scenarios that students may encounter during recruitment processes, ensuring they are fully prepared and job-ready.

Multiple Placements

Opportunities

All eligible and interested students are provided with multiple opportunities to participate in job interviews, ensuring they secure a position before graduating. To enhance their prospects, we also offer a placement concept that allows students to receive multiple job offers. Interviews are conducted in both online and offline formats to accommodate diverse placement requirements.

Measures to Enhance

Employability

To further increase the employability of our students, we implement a variety of initiatives, including collaboration with leading organizations. Some of the prominent companies that actively participate in our internship & placement drives.

Industrial Practice

Internship Programme

Jigyasa University (Formerly Himgiri Zee University) is proud to be one of the few universities in the country offering a well structured internship program for final-year students. All final-year students have the opportunity to undertake a comprehensive, industry-based internship where they work as interns for an entire semester. This hands-on experience allows students to gain valuable insights into various job roles and the practical aspects of their chosen fields. Throughout the internship, students are assigned a range of tasks and projects designed to develop their skills and help them become competent professionals. The program is mentor-guided, with experienced faculty and industry mentors offering continuous support and guidance to help students during their internships.

This industry internship program often leads to Pre-Placement Offers (PPOs), providing students with the opportunity to secure permanent employment with the companies they intern with.

Our students are currently interning at top companies across India, including in cities such as Delhi, Dehradun, Noida, Gurugram, Hyderabad, Mohali, Jaipur, and Lucknow. Additionally, International opportunities were offered to students in UAE, Mauritius and New Zealand.

Our Major Recruiters

and many more...

Central Infrastructure

Facilities

The Library

The Library has state of the art information systems and provides access to an extensive range of database, together with traditional printed material. The library is stocked with more than 30,000 books including e-books, 4000 titles and a number of journals and reports that cover all subjects. We have subscribed e-resources of INFLIBNET, Delnet, SCC Online, LexisNexis, EBC Reader, etc.

Hostel and Mess Facility

The University has made the provision of separate AC/Non AC hostels for boys and girls. The students are provided with basic amenities such as cot, table, chairs and a cupboard in their respective rooms. Tuck Shop facility is available in hostels on additional payment.

Sports Facilities

We believe in training the students not only in their chosen academic discipline but beyond that as well. Sports at University campus provide for the perfect setting to hone one's team skills and to maintain physical fitness. Apart from indoor games, there is a whole gamut of outdoor sports such as Football, Volleyball, Lawn Tennis, Cricket, Badminton, etc.

Amphitheatre

The university's open-air amphetheater is a vibrant space for cultural events, performances, and gatherings. Designed with tiered seating and excellent acoustics, it offers an inspiring venue for creativity and community engagement.

Transport Facility

Transport facility for the students is available. We run a fleet of buses to help students and staff members to commute to and from places in the city. The bus service is available over 20 km radius around the city. In view of safety issues on the highways, parents are urged to convince their wards to avail the services of University buses only.

Cafeteria

The JU cafeteria is designed to create a comfortable environment where you can discuss ideas while you enjoy a good meal. The larger mess hall is equipped to serve lunch and dinner for all students. We focus on providing variety of cuisines that are healthy and balanced at affordable prices.

Wi-Fi Enabled Campus

The campus offers 24x7 WiFi access for seamless connectivity.

ATM Facilities

ATM facility also available in the university campus.

Medical Facilities

Doctor and Ambulance services are available on call round the clock. University provides medical insurance to all students and staff. Full time nurse is available in the campus during the working hours. A staff nurse is available 24 hours to provide medical facility.

In-campus Swimming Pool

Swimming Pool with locker and shower facilities for comfort and convenience.

Separate timing for Male & Female students, the pool serves as a hub for fitness enthusiasts, competitive swimmers, and those looking to unwind after a long day of studies.
